Historically it has been noted that this dress runs small. Once the order is received, each person should try on their dress to ascertain the proper fit. Orders must be submitted as promptly as possible to allow time for reordering if necessary.*

The MALE CLERGY attire can be ordered through **Tonini Church Supply Company**.

Contact information is noted as follows:

966 Breckinridge Lane; Louisville, KY 40207-4670
Toll Free: 1-800-626-3545

However, if there is a church supply store located near you, please feel free to purchase the attire locally. The promptness of the order is imperative because the **33 button cassock is a custom order** and most of these garments must be tailored to fit. Therefore, it might take time for the company to fill the order.
